NEW INCOME LIMITS SET FOR ALL KIDS LAW EFFECTIVE JULY 1, 2011

As of July 1, 2011, only applications for children in families qualifying for All Kids Assist, Share, Premium Levels 1 and 2 and Rebate may be approved for enrollment. See the [All Kids Income Standards & Cost Sharing Chart](#) for the new limits. Children in families already enrolled in All Kids Premium Levels 3 through 8 may remain covered until June 30, 2012 as long as they meet the other eligibility requirements and pay the premiums on time.

All Kids Premiums, Rebate and Out-of-Pocket Costs Vary by Monthly Income and Family Size.

To find out how much All Kids may cost you, follow these simple steps:

1. Look only at your family size row. Read across that row to the box where your family's total monthly gross income falls.
2. Read down that column to the cost box below. The cost box shows the Monthly Premium per child, along with the maximum Monthly Premium for your family, and the Maximum Co-Payments per child, per year.

The income levels in this chart only apply to children. Please see the [FamilyCare income guidelines](#) for coverage available to parents and caretaker relatives.
